Ayush Anand

--

Patna, Bihar, India

Summary

Student at UIET, Panjab University

Aspiring Electronics Engineer | Web Developer

Currently a second-year student at UIET, Panjab University, pursuing a Bachelor of Engineering (BE) in Electronics and Communication Engineering (ECE). Passionate about electronics, technology, and web development.

Seeking Internship Opportunities

I'm on the lookout for internship opportunities to gain hands-on experience and apply my skills in the real world. I'm excited to contribute my knowledge and learn from the industry experts.

Skills

Proficient in web development, with a strong foundation in HTML, CSS, and JavaScript.

Eager to expand my skill set and take on new challenges in the world of technology.

Let's Connect!

Feel free to reach out to me at anandayush865@gmail.com or connect with me here on LinkedIn. I'm always open to networking, collaborating, and discussing exciting opportunities.

Open to Learning

I believe in the power of continuous learning and am dedicated to staying updated with the latest trends in the electronics and web development fields.

Let's Explore Possibilities Together

Are you looking for a motivated and tech-savvy student to join your team? Let's connect and explore how I can contribute to your organization's success.
